Firm Overview

Fundamentally-driven, value-oriented manager with \$4.3 billion in assets under management and an additional approximately \$895 million in model assets under administration¹

Proprietary Price/Intrinsic Value (“P/IV”) methodology developed 35 years ago is utilized with five large cap strategies

Four portfolio managers collectively average more than 30 years of industry experience

Privately owned firm in Louisville, KY; employees hold an 83% equity stake

Investment Philosophy

Portfolio constructed using the firm’s P/IV philosophy and proprietary Multi-Factor Ranking process

Identifying higher dividend yielding stocks with attractive valuation and stronger financial profiles, should, over time, provide a portfolio with excellent income and potential growth of income

Comprehensive, disciplined buy and sell process, with risk controls

Resulting portfolio will, we believe, have attractive dividend yields and outperform the MSCI ACWI over full market cycles

Portfolio weightings are limited to ±10% of the MSCI ACWI sector and region weightings. In accordance with MSCI GICS categories, benchmark sector weightings are compiled by TAM based on each stock's weight of the index noted as of the stated period. Benchmark country/region weightings are compiled according to country of domicile by TAM based each stock's weight of the index as of the stated period.

² Data Source: Todd Asset Management, Bloomberg and MSCI Barra. Accuracy of Index weights derived from third party sources can not be guaranteed and are subject to change. Strategy data presented is based on a representative portfolio having no client-provided restrictions, and is supplemental information to the Composite. Dividend yields reflect 12 month trailing dividend income divided by price, including special dividends. Investors should not construe performance of any example as predictive of future results. See performance disclosure for additional information.

³ Global Intrinsic Value Equity Income Performance Disclosure

Past performance does not provide any guarantee of future performance, and one should not rely on the composite or any security's performance as an indication of future performance. Investment return and principal value of an investment will fluctuate so that the value of the account may be worth more or less than the original invested cost. There is no guarantee that this investment strategy will work under all market conditions. Registration of an investment adviser does not imply any level of skill or training.

Specific stocks discussed in this presentation are included to help demonstrate the investment process or, as a review of the Composite's results; and are not intended as recommendations of said securities and carry no implications about past or future performance. All or some of the specific stocks mentioned may have been purchased or sold by accounts within the Composite during the period, or since the period, and may be purchased or sold in the future. A complete listing of the holdings as of the period end is available upon request.

Todd Asset Management LLC ("TAM") is a registered investment adviser. The performance presented represents a composite of fully discretionary accounts invested in a diversified portfolio of attractively valued domestic and international equity securities with a goal to seek dividend income along with growth of that income and capital appreciation. The international securities are internationally domiciled, US traded equity securities.

Todd Asset Management LLC, formerly Todd-Veredes Asset Management LLC began operations on June 1, 1998 as Veredes Asset Management LLC (VAM). Effective May 1, 2009, VAM combined with Todd Investment Advisors, Inc. (TIA). TIA (and its predecessors) was founded in 1967 by Bosworth M. Todd. Upon the combination of VAM and TIA in 2009, Veredes Asset Management LLC changed its name to Todd-Veredes Asset Management LLC (TVAM). On February 28, 2013, after a change in ownership involving some VAM unitholders, TVAM changed its name to Todd Asset Management LLC. The firm continues to offer the same strategies managed by individuals using the process founded under TIA.

The Global Intrinsic Value Equity Income Composite contains fully discretionary, taxable, and tax-exempt accounts that use the MSCI ACWI Index as the benchmark. The Composite does not include accounts with social restrictions. All fee-paying, fully discretionary portfolios under our management are included in a composite. Accounts are eligible for inclusion in the composite at the beginning of the first calendar quarter after the month of initial funding and upon being fully invested.

TAM claims compliance with the Global Investment Performance Standards (GIPS®). The Firm has been independently verified for the periods January 1, 2008 through December 31, 2020. VAM was verified for the period July 1, 1989 through December 31, 2007 by a previous verifier. TIA's compliance with the GIPS® standards has been verified for the period January 1, 1993 through April 30, 2009. The Global Intrinsic Value Equity Income Composite has been examined for the periods January 1, 2011 through December 31, 2020. GIPS® is a registered trademark of CFA Institute. CFA Institute does not endorse or promote this organization, nor does it warrant the accuracy or quality of the content contained herein. To receive additional information regarding TAM, including a GIPS Composite Report for the strategy presented, contact Monica Slyter at 1-888-544-8633, or write Todd Asset Management LLC, 101 South Fifth Street, Suite 3100, Louisville, Kentucky 40202, or mslyter@toddasst.com.

The performance information is presented on a trade date basis, both gross and net of management fees, net of transaction costs and includes the reinvestment of all income. Net of fee performance was calculated using the applicable annual management fee schedule of 0.60% applied monthly. Actual investment advisory fees incurred by clients may vary. The currency used to calculate and express performance is U.S. dollars. All cash reserves and equivalents have been included in the performance.

The composite performance has been compared to the following benchmark. The index is unmanaged, and not available for direct investment; it includes reinvestment of dividends; it does not reflect management fees or transaction costs: **MSCI ACWI (net) Index** is a float-adjusted market capitalization index that is designed to measure the equity market performance of developed and emerging markets.
